# SUPERMOMS

Do you or a friend have a child with challenges? Learning disabilities? Physical limitations? Developmental delays? Psychological issues? Chronic medical problems?

**If so, you have found a SuperMom!**

SuperMoms are strong, beautiful and amazing women, investing their lives in the wellbeing of special children.

SuperMoms started as a ministry of Perimeter Church in 2008, after several moms of special needs children wanted to find other SuperMoms to share their journey with. In 2011, they joined together with Stacy Georges and her established support group to form a larger network of moms sharing similar journeys raising children with special needs. They get a list of needs for the child, and get a sponsor to help get some of the needs. Myles A Part also gives some money (\$200 in 2009) for therapy plus a grocery store gift card. They also have provided married couples retreat weekend. They also have a summer scholarship program \$1000 to families for therapies & medical bills.	<a href="http://www.mylesapart.org">www.mylesapart.org</a>
<b>National Autism Association</b> The National Autism Association's Family first fund/helping hand grant applications are available and can only be submitted annually during June and July.	<a href="http://www.nationalautismassociation.org/helpinghand.php">http://www.nationalautismassociation.org/helpinghand.php</a>

<b>Ruby's Rainbow</b> Is dedicated to the higher educational needs of adults with Down syndrome. Their mission is to create awareness of the capabilities of these amazing individuals and also grant scholarships for enrichment, vocational or postsecondary educational classes.	<a href="http://www.rubysrainbow.org">www.rubysrainbow.org</a>
<b>The Olive You Foundation</b> Their purpose is to provide grants to help children who have speech and language disorders. Their goal is to allow children with communication difficulties the chance to better express themselves. The Olive You Foundation strives to provide children the opportunity to receive assistance to help improve their communication.	<a href="http://www.theoliveyoufoundation.org">www.theoliveyoufoundation.org</a>
<b>Small Steps in Speech</b> Small Steps in Speech assists children with speech and language disorders by funding supplemental therapies and treatments for individuals as well as grants to charitable organizations who serve children with communicative disorders. Their goal is to give children the chance to better express themselves in the world in which we live.	<a href="http://www.smallstepsinspeech.org">www.smallstepsinspeech.org</a>
<b>TACA Family Scholarship Program</b> The TACA Family Scholarship Program was developed to help families who are pursuing treatment for their children with autism, but are struggling to find the funding. They provide funding for DAN! Doctors, lab work, DAN! Conferences, and independent assessments with licensed providers such as Speech Therapists, Occupational Therapists, and Educational Evaluations.	<a href="http://www.talkaboutcuringautism.org/fic/family-scholarship-program.htm">http://www.talkaboutcuringautism.org/fic/family-scholarship-program.htm</a>
<b>TRICARE: Enhanced Access to Autism Services Demonstration</b> Under the Enhanced Access to Autism Services Demonstration, TRICARE covers Educational Interventions for Autism Spectrum Disorders for qualifying military families. The demonstration is available in the 50 states and DC to beneficiaries who are 18 months or older, registered or in the process of registering in ECHO, and diagnosed with either Autistic Disorder (AD), Pervasive Developmental Disorder Not Otherwise Specified (PDDNOS), Asperger's Disorder (AS) or Childhood Disintegrative Disorder (CDD).	<a href="http://www.tricare.mil">www.tricare.mil</a>
<b>United Healthcare-</b> Children who have medical needs are sometimes not insured comprehensively to provide coverage for all of their medical treatments. There are few places for families who have gaps in their commercial health benefit plan coverage to turn to for funding medically necessary services for their children. Children may go without necessary treatment, or, they receive the care and families assume a large amount of debt. The Foundation understands these needs and is willing to help fill this void. Families must meet income requirements to qualify for this grant.	<a href="http://www.uhccf.org">http://www.uhccf.org</a>

The Lung Flute does the job with just 15 to 20 puffs of air. Blowing into the reed instrument sends a steady 16-hertz vibration into a user's chest, dislodging mucus in the lungs so that it is easier to cough up. "	www.medicalacoustics.com
